KUPUNA PRESCRIPTION LEGISLATION

Efforts continue to evaluate prescription cost. The legislative bills and lobbying continue to assess the rising cost! Some of the current information available and results of legislation...

The House vote was 49-0 for passage. The Senate vote was 23-1...

Beginning July 1, eligible residents would be given a discount card that would entitle them to Medicaid discounts - saving 15 percent to 60 percent of costs, according to proponents at participating pharmacies. The following year, the state, using participants as leverage in a purchasing pool, would negotiate supplemental rebates with drug manufacturers and pass additional savings to consumers. For "how to get more involved" please call Apolei Bargamento at 488-6780.

ANNUAL AHCC CONVENTION!

President Anita will clarify the increasing concerns and issues regarding members participation on shore. As of this past general membership meeting...

- Convention will be held only on board ship with no on-shore participation.
- There will be no Aha Mele this year.

Marlene reports: "The new Pride of Aloha will take over Pride of America's previously published program of inter-island Hawaii cruises commencing July 4, 2004."

"I am currently in transition and awaiting the new list of blocked cabins for Pride of Aloha so we can start transferring reservations currently on hand. The reservation form will be revised with new categories and prices. The existing reservation form will be accepted until the new form is available. Members with internet access can explore Pride of Aloha by accessing www.ncl.com website."

"Sail date remains the same. As you may have read in the newspaper the current ship is the Norwegian Sky which will be dry-docked in San Francisco for refurbishment, etc. The NCL Sky will arrive in Honolulu on or about July 3rd and will do it's inaugural cruise July 4th. A big celebration is planned by NCL for his inaugural cruise." **Marlene 456-4334.**
