Presidents Message to the Membership:

A belated Mele Kalikimaka and Hauoli Makahiki Hou from my family to each of you. Mahalo for all of your support this past year serving as your President. My goals when I got elected last year was that:

- I wanted to provide educational opportunities which we did thru a couple of general membership meetings and through announcements in the bulletin of various seminars or cultural related activities for Hawaiians.
- I wanted to ensure that we provided leadership development opportunities which we did with our new website/webmaster; we had new members serve on committees to arrange and/or coordinate meetings, club activities for the club.

- I wanted to partner with other clubs and work on activities with other clubs and we did with Pearl Harbor HCC, Prince Kuhio HCC, Oahu Council and the AOHCC at Ho'ikle'ike, fund raisers and joint discussion of resolutions for convention to name a few.

We have started on a journey as a team of club members to learn more about our culture, issues relevant to Hawaiian rights and entitlements and to celebrate together all of our successes. We have two new Board of Directors on the board next year. I ask for your continued support for this next year. We have a busy schedule for next year and I must reiterate to all club members

- "Our Club will not be successful in meeting the legacy of Prince Kuhio unless each of you get or remain active in all of our club activities, our commitments to the Hawaiian people, and the Hawaiian Civic Club of Honolulu".

We cannot accomplish actions if members don't attend membership meetings, activities, fund raisers, Holoku Ball etc. throughout the year. We have over 200 members and I would like to encourage those of you who have not attended meetings recently to drop in and be a part of our meeting. We have a general membership meeting scheduled for February 5, 2005. **Charlie Rose**, HCCH club member, President of Hawaii Maoli and past President of the Association of Hawaiian Civic Clubs will be our guest speaker talking about Hawaii Maoli. Please try to attend. Information on the location will be forthcoming.

Aunty Katherine Farm, our Communications Chairperson for the Club can be contacted at (808) 595-4643 for information of our meetings, locations and times. We also have a wonderful newsletter that is issued monthly. I hope everyone has had a chance to read it. **Maylene Enoka** our club Secretary works very hard on the monthly newsletter so that each of you can get the news of what is happening and keeping you informed of current Hawaiian issues. She is also doing a great job!

Our AOHCC convention is scheduled in October 2005 instead of November 2005. We will be staying at the Fairmont Orchid at Maunalani. **Manu** will be returning for Aha Mele practice during the summer. More information to come in the future bulletin. Nuff said.

My fondest Aloha to each of you and again a Big Mahalo for your support. To my Officers and Board Members Mahalo Plenty. You have been just as important in our club activities and in meeting some of the club goals set forth this past year. You All GO.

Anita Naone, HCCH President

To: Members of the Association of Hawaiian Civic Clubs

We've read in the newspaper, watched on television, and heard on the radio about the devastation of the tsunami that hit Southeast Asia. Our heartfelt prayers go out to the families affected.

We are interested in knowing whether any family members of Hawaiian Civic Club members were adversely impacted by the tsunami. If so, we want to know how we might help, i.e., clothing, money, etc. Please advise so that we can assist our civic club ohana in some way. khanm@hi.net
