HOLOKU BALL 2006 INFORMATION

Aloha Members of the Hawaiian Civic Club of Honolulu:

On March 4, 2006, the Hawaiian Civic Club of Honolulu will host its annual scholarship fundraising event, the Holoku Ball. The tradition and gala of the Holoku Ball originated about 70 years ago as one of Honolulu's premier social and cultural events. This year, we promise you a night of elegance, culture, as well as a time to fellowship with friends of yesterday and today. What a wonderful opportunity for all of us to also embrace friends you will make that evening.

In celebration we honor three outstanding people -- Kumu John Lake, Aunty Ethelreda Kahalewai and Aunty Mary Smith. The theme for the evening, given by Kumu Lake is *Mai ka ipu ho'oilina mai na kupuna mai. The translation given by Kumu Lake states "the child is the inheritor of the remotest ancestor."* Kumu Lake's mana'o translate "...the child carries all wisdom and knowledge from his ancestor... if taught right, the culture lives on, grows...education is key...."

With that knowledge, let us make this year's event as financially successful as we can! If we aim high together, funds raised will help more scholarship recipients than in past years. Prince Kuhio expressed his thoughts when he stressed his desire to see Hawaiians "*educated, to elevate himself, to instill in and promote the economic, intellectual, social status, well-being of the Hawaiian in his community....*"

This year, there is an increase in pricing for both corporate tables and individual tickets. This change is an effort to increase the event credibility, bring the Ball inline with other fundraising events, and make a larger financial contribution to the scholarship fund. Every effort was made to keep all HCCH members in mind and to insure a fun evening enjoyed by all members of the club. Our new participation program is not only rewarding for the club, but each of us as well. We are asking each member to sell at least one ticket for the full price of \$150. For each ticket you sell, you will be eligible to purchase one additional ticket for \$75. This ticket price of \$75 is \$5 less than last year's ticket price! We believe the results of this effort will be a positive one for our club through our scholarship program.

Finally, we look forward to an evening of great entertainment, food, and fellowship as we honor three incredible individuals while providing financial support for our future leaders, club members, family, and friends.

We encourage you to get the word out, make connections and sell tickets to make our evening and our event a very successful one!

If you have any questions or would like to volunteer, please feel free to contact Reynold via email at reynoldf@oha.org or by phone at 284-3462.

Warmest Aloha,
