Hawaii Maoli 10th Anniversary Celebration

Hawaii Maoli is celebrating its 10th anniversary. As the nonprofit in support of the Association of Hawaiian Civic Clubs, they have done wonderful work. Please join us in celebrating their anniversary at a dinner on November 9, at the Manoa Grand Ballroom, 5:30 p.m. Let me know if you wish to be on an Association of Hawaiian Civic Clubs table. Leimomi

Hawaii Maoli organization started in 1997 in response to an Association retreat. In those ten years we have started a university youth leadership program, offered every club in the Association an opportunity to work on projects of their own, kept the Kau Inoa registry, received a number of federal and state grants and contracts, began and continue the administration of Malama Mauna'ala, and maybe most important of all captured the thoughts and memories of over 100 of our kupuna. Finally, the Association is one year away from taking occupancy of our own community center at Kapolei next to the Department of Hawaiian Homelands new headquarters.

Please find attached a brochure/invitation to attend the 10th anniversary of Hawaii Maoli dinner on Nov. 9. This is not a fund raiser, rather a celebration of where Hawaii Maoli is today and what we hope to accomplish in the future. There are no corporate tables, just a

dinner opportunity to enjoy good music and equally good company.

I hope you will be able to join us and are in a position to either buy a table or an appropriate number of tickets. Please contact me if this you and your organization can join us. Aloha, Henry Gpmes

HOTEL ASSOCIATION OFFERS HAWAIIAN SCHOLARSHIPS

The Hawaii Hotel & Lodging Association is introducing scholarships valued at thousands of dollars for Native Hawaiian students majoring in the hospitality industry field.

The scholarship program is inspired by the association's late president Clem Judd Jr., a Native Hawaiian who exercised his influence in Hawaii's visitor industry to promote programs that furthered the education of Hawaii youth.

There will be five Native Hawaiian Scholarships offered by the Hawaii Hotel Industry Foundation <http://www.bizjournals.com/pacific/stories/2007/07/16/daily15.html> -- \$1,000 per student per year for up to four years. The scholarships are for graduating

high-school seniors of Native Hawaiian ancestry interested in hotel management and hospitality related fields.

DOCENT TRAINING COURSE 2007-08 Waikiki Aquarium, Education Department

You can share "a sense of wonder" about the sea! Every year, thousands of children visit the Waikiki Aquarium on school field trips. For many, this experience becomes a special adventure in learning as volunteer docents guide them through marine education programs designed specifically for their grade level. Volunteering as a docent provides rich opportunities to learn about Hawaii's marine life and to contribute to conservation education in our community.

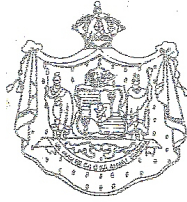

This course prepares you to use the Aquarium's materials and methods to conduct these programs, and to share information in stimulating ways with students and teachers. Docent guided visits are offered on Tuesday, Thursday and Friday mornings. We ask for a volunteer commitment of one morning a week during the academic year, **October through May**. Welcome to the Waikiki Aquarium's Docent Training Course and an association that we know will prove challenging, rewarding ...and fun!
