CELEBRATION OF LIFE...*The tears fall. The clouds weep. Our loved ones live on in our memories. We can never be separated by those we love because God leaves us with memories to hold on to and love that does not pass away. In time we realize that our loved ones live on in our hearts.*

We never walk alone. The time comes when those who we have loved the longest and the best, will travel far ahead into a place of rest. And we must walk a lonely path through shadows for awhile, without a certain kindred voice, a dear familiar smile. Yet each day brings us nearer to horizons yet unknown and even when the way is dark we never walk alone. For happy memories travel with us, where we will join our loved ones to eternal celebration.

Aloha...
